CLASSROOM HIGHLIGHTS

From the desk of Mrs. Congelio

Mrs. Rolle's 2nd graders explored the world of engineering as they were challenged to create various structures using wooden blocks. Picture cards were provided that showed the final structure; however, the students were required to use their creativity in figuring out how to build the object in person. Great job, second grade!

IMPORTANT PARKING LOT REMINDERS

A few friendly reminders from your favorite parking lot crew!

Morning Drop-Off: Over the last two weeks, we have had a few back ups onto Pearl Road. Please pull forward along the cross walk as far as possible, and if your child needs assistance getting out of the car, you may park in the parking spaces and we will walk your child safely across and to the school doors.

Afternoon Pick-Up: The parking lot does not open until 2:10 p.m., as we have preschool dismissal from 2-2:10 p.m. and need time and space to safely dismiss our littlest Warriors.

******During dismissal, cars must enter from Pearl Road and exit onto Big Creek Parkway. Please also remind any person that's picking up your child of this traffic flow. We have busses that arrive between 2:30-2:45, and we need the traffic pattern to be maintained for the safety of all in the parking lot.******

CLEVELAND BROWNS TICKETS RAFFLE
