

## Warrior Weekend Update

It's hard to believe, but our first-ever Warrior Weekend kicks off in just seven days! Less than 30 tickets remain for Friday night's "A Taste of IWA" event, so if you haven't purchased your tickets yet, please do so today! It will take place outside, on school grounds, from 5:30-7:30 p.m. Tickets include wine and beer, three food trucks, and live entertainment! Make sure to bring some cash to tip your "celebrity" bartenders - our IWA staff and faculty - and take your chances on some sideboards. Click on the Warrior Weekend Website button below to snag your tickets today!

We have raised over \$14,000 for the renovations for St. Joseph Hall. With one week to go, let's see if we can hit \$20,000! An email will be sent home early next week with Fun Run details, but a friendly reminder that Grades Kinder Prep thru Grade 2 will race at 1 p.m., Grades 3-5 will race at 2:30 p.m., and Grades 6-8 will race at 4 p.m. We can't wait to see you there!

A special thank you to all of our families that donated items or made monetary donations for the purchase of items for our online auction. It will go live early next week, so stay tuned and get ready to bid on some really awesome items and experiences!

Are you ready for Warrior Weekend? I am...so let's do this thing!  
Together, we are WARRIOR STRONG!

*Last day of School KP&K:* May 26, 2022

*Last day of School 1-8:* June 3, 2022

## Classroom Highlights

*from the desk of Mrs. Congelio*

Mrs. Shalala's 7th grade Honors ELA class have been reading and analyzing *The Outsiders*. On Thursday, the students participated in a Socratic Circle activity, requiring them to think critically and independently through the use of dialogue. This approach allowed the students the opportunity to build off of each other's ideas, as well as to develop listening and speaking skills. Jack F. served as the Facilitator, doing an outstanding job at both challenging and encouraging his classmates to share their thoughts. All of the students made outstanding contributions, and were well prepared by Mrs. Shalala. Way to go!

## WARRIOR TEACHER OF THE WEEK

This week our coveted helmet award is being given to a teacher who demonstrates the warrior charism of being **Resilient**.

Mrs. Radomski-Gebe has gone above and beyond in collaborating with her colleagues, to provide cross-curricular units of study for her students. As one student mentioned, this collaboration helps the students develop a better understanding of the subject matter, as well as making the learning process more engaging.

Currently, this teacher is working on a project with our 8th grade students, that is allowing them to develop their own end of the year celebratory event. Next week, she will be leaving for the remainder of the school year, as she is expecting her 2nd child. She has been a trooper throughout her pregnancy, never missing a beat. We wish her the best and will keep both her and her family in our prayers.

**Congratulations to Warrior Radomski-Gebe!**

## FULL STEAM AHEAD

Our Primary Stem Lab was the place to be this week! Second graders in Mrs. Rolle's class have been working on their STEAM, project-based learning unit. The students are working towards becoming Stewards of the Earth, learning about Upcycling and how it can help our community. The culmination of the unit will require them to use everyday objects

to create an Upcycle Carnival for our younger students to visit. In addition, this motivated group will be taking time to clean up the grounds around the school. Great job, second grade!

**CLICK HERE TO VIEW THE IWA SCHOOL CALENDAR**

**Lead, Explore, Create**

Get inspired this summer by attending our special academic summer programs, including "SJA Goes Global!," "Girls Who Create + Code," "M\*A\*S\*H" (Medical Applications of Science and Health)" and "Summer Enrichment Program!"

**SJA Goes Global!**  
Calling all food enthusiasts! Girls entering grades 6-8 will explore and eat the cuisine of the world. Girls will learn how to promote the zero waste initiative, support local farmers and advocate for their health through global, nutritious recipes. Please indicate any food allergies by Monday, June 7.  
June 14-18, 10:30 a.m.

**Girls Who Create + Code**  
Under the guidance of our Engineering & Design Honors Program Coordinator, girls entering grades 7-9 will learn the basics of coding as well as essential skills of problem-solving, digital competence, coding and creativity by working with Codebots, VEX Robots and more! This experience is designed to introduce girls to real computer programming tools and coding languages.  
June 21-24, 12:30-3 p.m.

**M\*A\*S\*H (Medical Applications of Science and Health)**  
Calling future doctors, nurses, veterinarians and other healthcare professionals! This program is for girls entering grades 6-8 who are inspired to help others through the Health Sciences. Whether it is creating a heart model, playing brain games or working with real doctors, students will have fun while gaining hands-on experiences and learning the caring and compassionate side of healthcare.  
July 19-22, 9 a.m.-12 p.m.

**Summer Enrichment Program**  
Girls entering grades 7-9 can be a part of a one to three-week camp where they can hone their English, Math, Science, Engineering, Social Studies and World Language skills. Girls will experience a variety of activities for practical application and enrichment, including field trips, art projects, robotics, athletic contests, as well as engineering projects in our newly renovated Makerspace Innovation Lab! Choose to attend one, two or all three weeks.  
June 14-18, 9:30 a.m.-12 p.m.  
June 21-25, 9:30 a.m.-12 p.m.  
June 28-July 2, 9:30 a.m.-12 p.m.

Visit [www.sja1890.org/summer](http://www.sja1890.org/summer) to learn more and to register!

## Tuition Monthly Payment Plan for the 2021-2022 School Year

Should you elect to use Unity Catholic Federal Credit Union's monthly payment plan as an option for tuition payment for the 2020-21 school year, you must complete and send an application to them by May 1, 2021. All applications will be processed through the credit union. The week of May 17, 2021 the loan documents will be emailed to you for your digital signature at the email address you provided. If you any questions you may call any office branch listed on our website. Monthly Payment Plan Applications can be accessed through the IWA Website or by clicking [here](#).

## IWA Alumni Association: Scholarship for Current 7th Grade IWA Students

All 7th grade students, soon to become the new school leaders of I.W.A., are eligible to participate in the Alumni Association's Writing Scholarship Competition.

Any 7th grade student may apply. The first place winner will receive a \$200 non-renewable scholarship to be applied to the 2021-2022 academic year at I.W.A. The authors of the next five best submissions will receive a \$20.00 cash prize.

Winners will be notified within the first two weeks of May.

**CLICK HERE FOR MORE INFORMATION**

## Alumni Spotlight: *Anne Brennan '10*

Anne attended Our Lady of the Elms High School and graduated from John Carroll University where she majored in Integrated Marketing Communications and minored in Theology and Religious Studies. She is currently the Assistant Director of Marketing at St. Ignatius High School where she specifically focuses on admissions marketing efforts as well as diversity, equity and inclusion initiatives.
